

**INTERESTED IN HOW THE CITY SHOULD GO GREEN?
COME TO THE BALTIMORE CITY GREEN BUILDING TASK
FORCE PUBLIC INPUT MEETINGS ON APRIL 5 AND 8**

The City Council, as a result of legislation passed last year, formed the Green Building Task Force. This Task Force, chaired by 1st District Councilman Jim Kraft, is set to publish its report that includes a year's worth of research about Green Building policies and recommendations for implementing a Green Building plan in Baltimore City.

The Task Force is inviting public commentary on this report on two occasions:

Wednesday, April 5th, 6-8 p.m.

At Digital Harbor High School
1100 Covington Street

Saturday, April 8th, 10a.m.-12 p.m.

At Baltimore Area Urban League
512 Orchard Street

Please feel free to forward this message about these public meetings to ensure maximum citizen participation in our efforts to encourage Green Building practices and sustainability in Baltimore City.

Members of the press and the public are encouraged to read the draft report online, posted at: <http://www.baltimorecity.gov/government/planning/>

For questions or comments, please contact the Office of Councilman Jim Kraft at 410-396-4821.
